Mobile: +2 010 91111400

## DOCUMENT INTRODUCTION

This is a proposal document which has initial overview for SADECO WEBSITE

This document contains information proprietary to Quad Technologies and whose unauthorized disclosure would cause damage to the interests of Quad Technologies. It is provided to you on the strict understanding that it will be held by you in confidence and will not be disclosed to any other group company or Third Party without the express prior written consent of Quad Technologies and that you will not copy or use it or its contents for any purpose other than to the extent necessary to support your evaluation of the proposal outlined in it and with a view to enabling you to determine whether or not you wish to continue our negotiations in relation to that proposal. By your retention of this document you confirm your acceptance of these restrictions and agreement to be bound by them. If you are not the intended recipient or do not wish to be so bound you must return this document immediately to Quad technologies and destroy any copies of it.

By signing this document from both Quad Technologies and Sadeco it will be a legal contract between both.
